

# ZMotif™ CardStudio™ Card Printer Software

## Fast and Easy Way to Create Great-Looking Cards

Zebra ZMotif CardStudio is an easy-to-learn, easy-to-operate professional card design and card issuance software suite. Whether you're creating simple or complex designs, CardStudio offers a version for every application with three editions: Classic, Standard and Professional. Compatible with all current and legacy Zebra card printers—including both direct-to-card and retransfer—CardStudio makes designing, encoding, printing and connecting to databases fast and efficient. And the option to print via Direct-to-Printer (D2P) technology optimizes print quality and ensures seamless design and card encoding.

## Easy Upgrades and Demo Edition Available

Protect your investment with software license key upgrades—no hardware or dongle required. Upgrades to more feature-rich editions are available with the simplicity of a software license key. Face Snap plug-in is also available as an option for automatically cropping and optimizing images for production.

To download a demo version or to upgrade your software, visit [www.zebra.com/cardstudio](http://www.zebra.com/cardstudio).

CardStudio is ideal for these applications:

- ID cards
- Access control
- Retail and loyalty cards
- Clubs and associations
- Schools and libraries
- Visitor badges

# CardStudio Edition Features
